POLICY PROHIBITING SEXUAL HARASSMENTⁱ

I. PROHIBITION ON SEXUAL HARASSMENT

It is unlawful to harass a person because of that person's sex. The courts have determined that sexual harassment is a form of discrimination under Title VII of the U.S. Civil Rights Act of 1964, as amended in 1991. All persons have a right to work in an environment free from sexual harassment. Sexual harassment is unacceptable misconduct which affects individuals of all genders and sexual orientations. It is a policy of the Village of Dix, Illinois to prohibit harassment of any person by any municipal official, municipal agent, municipal employee or municipal agency or office on the basis of sex or gender. All municipal officials, municipal agents, municipal employees and municipal agencies or offices are prohibited from sexually harassing any person, regardless of any employment relationship or lack thereof.

II. DEFINITION OF SEXUAL HARASSMENT

This policy adopts the definition of sexual harassment as stated in the Illinois Human Rights Act, which currently defines sexual harassment as:

Any unwelcome sexual advances or requests for sexual favors or any conduct of a sexual nature when:

- (1) Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment,
- (2) Submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual, or
- (3) Such conduct has the purpose or effect of substantially interfering with an individual's work performance or creating an intimidating, hostile or offensive working environment.

Conduct which may constitute sexual harassment includes:

- Verbal: sexual innuendos, suggestive comments, insults, humor, and jokes about sex, anatomy or gender-specific traits, sexual propositions, threats, repeated requests for dates, or statements about other employees, even outside of their presence, of a sexual nature.
- Non-verbal: suggestive or insulting sounds (whistling), leering, obscene gestures, sexually suggestive bodily gestures, "catcalls", "smacking" or "kissing" noises.
- Visual: posters, signs, pin-ups or slogans of a sexual nature, viewing pornographic material or websites.
- Physical: touching, unwelcome hugging or kissing, pinching, brushing the body, any coerced sexual act or actual assault.
- Textual/Electronic: "sexting" (electronically sending messages with sexual content, including pictures and video), the use of sexually explicit language, harassment, cyber stalking and threats via all forms of electronic communication (e-mail, text/picture/video messages, intranet/on-line postings, blogs, instant messages and social network websites like Facebook and Twitter).
